

# Hazel Grove High School

## Enrichment Week 2019

### *Day Trips and Activities* *Part 2 of 2*

# *Creative Activities*

**Project: BE A CREATIVE: A DAY OF GRAFFITI, A DAY OF CERAMICS.**

**Project number: 07**

**Year group for: All**

**Cost: Free**

### **Activities planned:**

**Day 1:** Students will be introduced to the world of street art and graffiti. They will look at the famous and not so famous artists that have given the form of art such notoriety.

Any young Banksy fans will have the opportunity to develop their very own stencil art inspired by their hero or a famous person. Students will create stencils and have opportunity to use spray paint.

**Day 2:** Portraits in clay: Students will have opportunity to get their hands dirty whilst learning to model themselves in clay. Students will create a 3D model of themselves which will then be fired in the departments kiln. Your portrait will be set in stone!

*To find out more see Mr M Jones.*

**Project: Crime Thriller**

**Project number: 08**

**Year group for: 9-10**

**Cost: Free**

Activities planned:

Hazel Grove's No.1 Detective Agency

Calling all crime-solving wannabe sleuths! Want to sniff out the crime and solve the puzzle? Whodunit? Why? Where?

If you've a keen mind and a nose for the truth, then why not join our team of budding investigators and unpick the problem at hand. There's a crime to solve and the game's afoot!

We're recruiting now. If you want to join our team then pick us for a 2 day experience in school of crime, drama, thrillers, problem solving, and general fun and frolics!

To find out more see Ms Sham

**Project: Grand Desk Design**

**Project number: 09**

**Year group for: All**

**Cost: £10**

Activities planned: To make a gadget tidy

Do you enjoy making in the workshop and designing in Technology? Do you enjoy working on a project and being creative? If so, this is the activity for you.

Students will get the opportunity to work with a range of tools and equipment in the workshop over the two days. They will be able to make and take home their own personal desk tidy. Techniques involved are: cutting, drilling, varnishing and Acrylic shaping, brazing and other metal work techniques.

The cost of this project is £10 and this will cover all of the materials that you will be using in the workshop.

To find out more see Miss Kress.

**Project: Ground force HG**

**Project number: 10**

**Year group for: 9-10**

**Cost: Free**

Activities planned:

Following extensive works on the East Block we would now like to work on the school vegetable plots at the back of the astro turf as it has become overgrown and messy. This area would make an ideal area for students from all year groups to visit and help maintain, producing crops each year.

The plan is to cut back the overgrown plants, remove bushes and saplings where appropriate, repair, re-fix and paint the trellis and pagoda. The uneven pathways need levelling and raised beds adding, we also hope to plant some vegetables and fruit tree's.

In 3 days will we manage it? Will we be able to assemble and install benches? Will there be new fruit tree's? Can we get bug boxes up?

Only time will tell.....

To find out more see Mr Barnes.

**Project: I solemnly swear I am up to no good.**

**Project number: 11**

**Year group for: 7 - 9**

**Cost: £10**

Activities planned:

Are you a fan of Harry Potter? A fully fledged 'PotterHead'? Or maybe just fancy the opportunity to do some exciting hands-on activities?

Spend your enrichment time at Hogwarts and you'll have the opportunity to be sorted into houses and attend 'lessons' including Quidditch, Transfiguration, Arithmancy (Hermione's favourite subject) and of course Potions.

You will change the old into new, crack codes, challenge the beaters and brew some amazing potions.

Don't worry if you enrolled with us last year, the lessons will be different but just as exciting!

To find out more see Miss Greenwood :)

**Project:  
exploration**

**I heart MCR local history**

**Project number: 12**

**Year group for: All**

**Cost: £20**

Activities planned:

Day one: Quarry Bank Mill - Industry and an ice cream!

We will visit one of the best preserved mills in Britain and see the Apprentice House and others areas to find out about life for child workers in the 1800s. Weather permitting we will have a picnic lunch and an ice cream then explore the newly opened 'secret garden' and nature walk.

Day two: Manchester City centre - Science & Industry + The People's history museum!

On this day we will split into two groups that will swap over in the afternoon. Half the group will start at the People's History Museum to explore why Manchester has been so important in the development of democracy and rights. The second group will explore the industrial and technological history of the city and wider area.

On both days students will require a packed lunch. There may a short amount of free time to visit the gift shop so a small amount of spending money could be brought.

We will depart from school at 8.45am and return by 3.15pm both days.

To find out more about this please see Mr Wilson & Mr Sharp

**Project: In school – Traditional Games**

**Project number: 13**

**Year group for: All**

**Cost: Free**

Activities planned:

Come and learn how to play a range of traditional games (no screens involved).

We will learn how to play a wide range of games including: card games, dominoes, backgammon, draughts, chess, word games and a range of board games such as Monopoly and Risk.

Traditional games can develop a wide range of skills including:

communication, collaboration, patience, strategic thinking, gamesmanship and interactivity.

So come along and learn how we gamed before Fortnite!

Contact Miss Hope for more details!

## **Project: Computer Gaming**

**Project number: 14**

**Year group for: 7-10**

**Cost: £25**

Activities planned:

You will spend one day in school creating computer games using the software of your choice between Scratch, Kodu or Construct with prizes awarded to the best games created.

The second day will be spent at Arcade Club where students will have access to 2 floors of free to play classic and modern arcade games. On the classic floor there are classics such as Mario Brothers, Pac-Man, Donkey Kong, Turbo Out-Run.

On the modern floor, not only will there be access to modern arcade games there will also be access to PSVR's (for students 12 years and over) as well as Oculus Rift (for students 13 years and over).

For more information about games available visit the Arcade Club website at [www.arcadecub.co.uk](http://www.arcadecub.co.uk)

Students will not need money for these arcade machines as the price is included in the cost of the excursion.

For more information please see Mr Richardson or Mr Halilic

**Project: Media Mogul**

**Project number: 15**

**Year group for: Y7-9**

**Cost: Free**

Activities planned:

Ever wanted to know how the Media industry works?

This enrichment project will give you an insight into how media products are created, the technology used to create them and how they are promoted through advertising.

Day 1 will allow you to explore the industry, learn basic Adobe design skills and to choose a product to develop: this could be your own magazine, film or AR game.

Day 2 will allow you to put your new skills into practice and to bring your product to life! Prizes will be awarded for the best product and pitch...do you have what it takes?

For more information, see Miss Chambers

**Project: Films, Philosophy and Debating**

**Project number: 16**

**Year group for: All**

**Cost: Free**

Activities planned:

Wouldn't it be brilliant if you knew how to win every argument? We will be learning how to debate anything and everything from films to philosophy!

With lots of films to choose from, you'll discuss the issues raised, carry out conscience corridors, silent debates and even court cases.

Contact Mrs Bowe & Miss Bartles for more information.

**Project: Box and Bake**

**Project number: 17**

**Year group for: All**

**Cost: £10**

Activities planned:

Within this activity you will carry out the following:

- Enjoy some exercise for a healthy mind in the form of either Boxercise, Yoga or Pilates
- Bake up a storm and make some cakes.

Please note, an interest in both cooking and exercise would be beneficial for this activity.

All ingredients for this activity are included in the cost.

To find out more see Miss McLaughlin.

# *Sports Activities*

**Project: Football Tournament and Tour**

**Project number: 18**

**Year group for: 7-8**

**Cost: £20**

Activities planned: .

Two days of pure football! A great chance to demonstrate your skills in a whole range of different football-based activities. There will be old classics like Wembley, Headers and Volleys, shooting/finishing drills, small-sided games, penalty shoot-outs as well as a tournament.

You even get the chance to visit the fantastic Old Trafford ground!

Champions League Day: - Students will compete in a Champions League day at 5 a side level. You will take part in a provisional skills school competition to become seeded for the draw which will then take place with 2 groups of 4 teams. The top 2 teams in the group will play the semi-finals and the final with a 3rd place playoff, while the last 2 teams in the group will compete for the 5th, 6th, 7th and wooden spoon.

At the end of the day, will your team be the Champion of the Champions League?

To find out more see Mr Warren

**Project: Football Skills Masterclass**

**Project number: 19**

**Year group for: 9-10**

**Cost: Free**

Activities planned:

Two days of pure football with a slight twist!

During the first day we will be joined by four professional football coaches!

They will put you through your paces and see how much 'tekkers' you have to offer. Everyone will get chance to polish their skills along the way.

You'll all put your skills to the test during the football tournament day. There'll be wooden spoons, good sportsmanship and winners!

To find out more see Mr Crowshaw

**Project: Rugby Bootcamp**

**Project number: 20**

**Year group for: 9-10**

**Cost: Free**

Activities planned:

Do you know the difference between a ruck and a maul? What does the perfect scrummage look like?

Now's your chance to work on your rugby skills...as long as you're not afraid of a bit of mud!

You'll work on your rugby skills, challenge each other in matches and enjoy the sunshine while you're at it!

To find out more see Mr McSharry or Mr Clarke

## **Project: Netball Leadership and Officiating**

**Project number: 21**

**Year group for: All**

**Cost: £10**

Activities planned:

Day 1 – Planning and leading safe and effective netball drills for primary age students. How to organise a tournament. Umpiring rules and regulations.

Day 2 – Delivering a full tournament and training day to local primary school. Presenting rewards to winning teams.

T-shirt included for the 2 days.

To find out more about this please see Mrs Biggar and Miss Wood in the PE department.

**Project: Ryder Cup**

**Project number: 22**

**Year group for: All**

**Cost: £60**

**Activities planned:**

**FORE!..... Do you want to be the master of the greens or split that fairway? If so and you love your Golf why not choose the Ryder Cup. The days consist of the following:**

Wednesday 17th July

- \* 9 Holes of Footgolf at Adlington Golf Club
- \* Break – Snack
- \* 9 Holes at Adlington (Academy Course)
- \* Dinner Provided (Packed Lunch)
- \* 9 Holes at Adlington (Graduate Course)
- \* Back to school

Thursday 18th July

- \* Indoor putting master class (outside coach)
- \* Dinner at McDonalds
- \* 18 Holes at Hazel Grove Golf Club
- \* Back to school

Please note that due to us playing of full golf courses any students wishing to choose this will need to have played golf or currently play golf. Etiquette of the game must be adhered to over these two days.

See Mr Black or Mr Jones in PE

# Enrichment Week 2019

## Part 2 – Day Trips and in-school activities

**YOU** will tell your form tutor what choice you have for day trips and/or in-school (if you are already on a residential trip you don't need to make a choice).

**REMEMBER** you must have discussed any day trip or in-school options and subsequent costs with your parents first.

**DO** choose four options so you have a higher chance of getting something you have picked! In the interest of fairness Year 10 will get priority followed by Year 9, 8, 7 respectively (eventually everyone will get priority!).

Choices (in order of preference)	Project number	Name of project
1		
2		
3		
4
