

April 2017

Dear

We hope that your Year 11 studies are going well and we wish you all the very best for a successful examination season. In the Sixth Form we are already putting our plans into place for the new academic year. Most important for you is to do as well as you can in your GCSE and BTEC examinations. You can then turn your own thoughts towards September and your post 16 studies. Your first introduction to life in the Sixth Form will be on Wednesday 12<sup>th</sup> July and our 'Induction Day'.

This day will be an introduction to life at the Cheadle Hulme High School Sixth Form followed by a series of taster lessons. You will be allocated three taster lessons from the list attached. Please list, in order of preference, the four subjects in which you are interested. Whilst we will make every effort to accommodate your preferences, we cannot guarantee that all combinations will be available. You will also receive general and subject specific information on this day. Please arrive at the Sixth Form building no later than 9.15am. We aim to finish at approximately 1.15pm. Formal business dress is not required for the day although we would expect you to dress appropriately for a day in school. You will need to bring a pen/notepad and bag to take paperwork home in.

Attendance is not compulsory but the Induction Day is a really useful introduction to life in the Sixth Form so we would recommend that you try to attend if possible.

**Please complete the attached form and return to Mrs Turner via Sixth Form reception by Wednesday 24<sup>th</sup> May.** Alternatively, a copy of this letter is available on the Sixth Form page of our website <http://www.chhs.stockport.sch.uk> and you can email your reply to [sixthform@chhs.stockport.sch.uk](mailto:sixthform@chhs.stockport.sch.uk).

We very much hope to meet you on 12<sup>th</sup> July.

Yours sincerely

Mr S Dawson  
Director of Sixth Form
