

## **New uniform requirements September 2020**

- The new maroon blazer, with new logo, will come in for **Year 7** in September 2020. From the summer, all sales of the old blazer will stop so any new blazers purchased will be the new design. It is our intention that, naturally, all the old blazers will phase out by the end of the 2022/23 academic year.
- **All students** from Y7 to Y10 will be expected to wear the new maroon and silver striped tie from September 2020.
- **All students** from Y7 to Y10 will be expected to wear white shirts from September 2020.
- Unbranded black V-neck jumpers are preferred but not compulsory.
- Black trousers and skirts, which meet the requirements of our existing uniform policy, will remain.
- The **Year 11** uniform will remain for the 2020/21 academic year, but will be reviewed after that.
- There will no longer be a requirement for pupils to wear a black coat.
- We are phasing out our existing PE kits to ensure that there are fewer branded items. This will formally start with our **Year 7** intake in September 2020 expected to wear the new black and maroon kit and will phase in from there over the following years.
