1) Getting to know Unit 3

Unit 3 is your second and final internal assessment (coursework). You should familiarise yourself with LO1, LO2 and LO3. Each learning objective has the marking bands that you will need to meet.

4) READING FOR PLEASURE:

Try to read any books/ textbooks relating to criminology or the criminal justice system. Any books which involve a court case would be particularly useful for unit 3. Here are some suggestions:

If you are thinking of continuing criminology past school, reading more advanced textbooks could give you a good advantage e.g. Oxford handbook for criminology or the criminal process (5th edition)

5) **NETFLIX WATCH LIST:**

Try watching some of the following documentaries, TV dramas or films. They will help your understanding of the UK and USA criminal justice process.

Line of Duty

Mindhunter

Criminal United Kingdom

The Stranger

OJ vs The People

When they see us

Louis Theroux documentaries relating to prison or crime

6) **GETTING TO KNOW THE TRIAL PROCESS**

Using the above suggested lists (or by using the textbook), try to understand and describe how a trial (court case) proceeds in the UK. Try to develop a picture of the different stages of a criminal trial, the UK court systems & appeals.
