

September 2024

Dear Parent/Carer

As part of the school's assessment calendar, we have assigned the internal exams for our year 12 students. Students taking Further Maths and Core Maths will sit internal exams with Year 13 early in the Spring term and then a full suite of subjects will take place after the main exam season in June, listed below for your information.

Before an exam season, individual exam timetables will be given to students, along with an overall timetable made available on the schools exam webpage <https://www.hazelgrovehigh.co.uk/exam-information/>. Students' individual timetables will also be available on the MCAS and Student BROMCOM apps. Subject teachers will give students more information regarding any revision/preparation needed for the exams.

Internal Exams (<i>Further and Core maths only</i>)	24 – 28 February 2025
External GCE Exams (<i>Further and Core maths only</i>)	8 May – 18 June 2025*
Internal Exams	23 – 30 June 2025

It is very important that **all** students attend their exams. It is also vital that students arrive for their exams 15 minutes before the published time to ensure a prompt start.

GCE Results Day has been confirmed as Thursday, 14 August 2025. If students aren't available for Results Day, alternative arrangements can be made for collection of results. Information regarding this will be sent out next year.

**= external exams have a contingency date of 25 June 2025, students are advised to remain available up to and on this date in case any exams are re-scheduled by the exam boards.*

I would like to thank you for your continued support and should you have any queries regarding the above, please do not hesitate to contact the school.

Yours faithfully

Mrs G Divall
