READING PROJECT

Well done to the students in our Link Areas who have taken part in our Reading Project so far! It has been great to hear your thoughts on the texts discussed and your enthusiasm for studying English. We look forward to seeing you for the second set of sessions after half term.

SUBJECT WEBINARS

Our subject [webinar series](#) will continue after half term for just a few more weeks! See the attached poster for more information.

LIVING IN ART WORKSHOP

Did you know that Murray Edwards College is home to the Women's Art Collection - the largest collection of women's art in Europe? On Wednesday 23rd July, Year 12 students are invited to take part in an arts workshop in the Women's Art Collection, a guided tour of Kettle's Yard, and a chance to learn more about Higher Education. This student-led event is open to those who identify as women or non-binary and 30 places are available.

Whether you're passionate about the arts or simply curious about university life, we welcome your creativity and questions!

[Find out more](#) and [apply here](#) by 9am on 16th June.

INTERESTED IN: ANGLO SAXON, NORSE AND CELTIC?

The ASNC department will be holding their department open afternoon on Wednesday 2nd July. If you will be attending and would like a guided tour of Murray Edwards College in the morning, please email outreach@murrayedwards.cam.ac.uk to let us know. We would be happy to show you around!

John Dalton FRS (1766-1844): Manchester's Greatest Scientist?

Our inaugural article celebrates John Dalton FRS (1766–1844), widely regarded as Manchester's greatest scientist. Dalton's pioneering work in chemistry and atomic theory revolutionised science and secured his place as one of history's most influential thinkers.

The article marks the beginning of an exciting series that will showcase the extraordinary achievements of our members while highlighting the Society's rich heritage. We are eager to share these stories with you and the wider community as we celebrate nearly 250 years of history.

PRIDE MONTH 2025

What is LGBT+ Pride?

LGBT+ Pride Month is marked annually in June, to celebrate the LGBT+ community.

Pride Month began to commemorate the Stonewall riots, a series of protests for LGBT+ liberation, beginning on 28th June, 1969. Many schools across the globe use Pride Month as an opportunity to educate young people on the history of the LGBT+ community and to celebrate all those within their school who identify as LGBT+.

Earlier this year, LGBT+ History Month was celebrated. This is an event founded in the UK by Paul Patrick and Professor Emeritus Sue Sanders. Paul and Sue are the founders of [Schools OUT](#), an LGBT+ education charity and they spearheaded the first UK LGBT+ History Month in February 2005. From then on, the movement has grown, with more and more schools taking part every year.

We are celebrating both of these events this month. **Look out for the 5 prominent LGBT historical figures around the building.** You will also have Pride focussed Big Conversations and a special Inclusivity Launchpad with Mrs Bowe. Happy Pride!

Young motorcyclists will be given the chance to gain advice and guidance from experts, and have their questions answered, at an online event taking place next month.

The Warwickshire Road Safety Partnership is partnering with the National Young Rider Forum (NYRF) to host a free session for young motorcycle riders taking place on 11 June 2025.

The hour-long event, which kicks-off at 6:30pm, is aimed at those aged between 16-24 years who may be thinking of, or already riding, powered two wheelers of up to 125cc.

“From choosing the right bike, to getting the best insurance policy and knowing which PPE to buy, it can be tricky to navigate, especially on a budget. This session is a great opportunity for young people, and their parents and carers, to find out the nuts and bolts of becoming a rider and to get expert advice to help prepare them for a successful and safe riding journey.”
